Co-Owner/Finance & Marketing Manager

Kim joined Sonja in 2008 in her journey to create a quality dance studio in the quaint town of Urbana. After supporting Urbana Dance and Sonja for more than 4 years as a dance parent, she took the plunge and became a partner in Urbana Dance because she believed in the founder and her abilities to create a program that would enrich the lives of area children. Kim's background is in project management and health and welfare employee benefits and brings over 30 years of office experience to the table. She has three children of her own, two daughters age 26 and 23 and one son age 9.
