This handbook contains all the necessary information you will need to make your child's studio recital experience an enjoyable one. Please read all the information and follow the due date requirements. If you cannot find the answer to your question after reading this handbook and/or attachments, please feel free to call the studio for assistance at (301) 874-4367.

Please hold **all dates** on your calendar.

The "**Recital Costume and Class Information Sheet**" contains all dates and information pertinent to your child's class with regards to recital. It includes show time plus rehearsal dates and times. Place it on your refrigerator or some other convenient spot so you can easily refer back to it. This will be provided as a separate handout no later than first week of May.

RECITAL COSTUMES

- Recital costumes will be distributed in your child's class as they arrive.
- If alterations are needed after the costumes have been distributed and sent home, it will be the sole responsibility of the student's parent or guardian to arrange for alterations. The studio can recommend a seamstress if one is needed.
- Please place your child's costume on a hanger as soon as it comes home, if not already provided.
- Tights, shoes, make-up and any accessories required for recital will be the sole responsibility of the student's parent or guardian to buy unless otherwise specified. These are not included with your costume costs. These will be listed on the **Recital Costume and Class Information Sheet**.
- All costumes, tights, shoes & accessories should be labeled on the inside tag or with a piece of tape. Do not use permanent marker directly on the costume as it can bleed through the material. **Do not let your child wear their costume before the recital as it cannot be replaced.**

MANDATORY RECITAL DRESS REHEARSAL PROCEDURES

Full Dress Rehearsals will be held at the main studio, which means you must arrive in full costume, make-up and hair. **The**

Recital Costume and Class Information Sheet contains your child's specific rehearsal dates & times and their recital show time.

- **FULL DRESS REHEARSALS** will be held at the main studio on:
 - ⇒ **Monday, June 5 thru Friday, June 9 – Classes are assigned a specific day and timeframe.** We always do our best to have the students in and out promptly; however, should a class need more practice time, we will have them rehearse longer in order to feel confident and ready for their performance day. Please refer to the **Recital Costume and Class Information Sheet** that contains the day and specific time your child will need to be at rehearsal.
- **DRESS REHEARSALS ARE MANDATORY FOR PARTICIPATION IN RECITAL.** It is necessary for all students to attend dress rehearsal so they feel confident on the stage and are less anxious for the actual show. It familiarizes your child with the procedures, staff, and volunteers and how the actual show will run.
- Please be prompt by arriving on time for your scheduled rehearsal time. We do understand that parents work and have to allow for travel time. However, we are asking that you prepare for the above-mentioned rehearsal dates and times in advance for planning.
- All parents are instructed to check their student in for dress rehearsal.
- Please have your child arrive in FULL COSTUME and make-up for rehearsal. To prevent soiling of costumes, have your child wear a cover up over their costume. Do not let your child wear their dance shoes to and from the car.
- Bring extra safety pins, bobby pins, extra tights, make-up, hair gel, sprays and hair accessories for your child in their dance bag. Label everything.
- Please make sure your child eats before rehearsal. There will be no food allowed in the studio. They can bring bottled water.

You will have to sign your dancer in/out upon arrival and departure.

HELPFUL TIPS

- All classes are required to purchase new tights for the recital. The type and color of tight that your child needs to wear is on your **Recital Costume and Class Information Sheet**.
- A second pair of tights is always a great idea.
- Extra hair gel, bobby pins, rubber bands, safety pins, and hairspray.
- Baby wipes/shout wipes (to fix makeup mistakes, wash hands or remove garment stains), baby powder (for itchy costumes), clear nail polish (to repair minor holes or runs in tights when there isn't time to change them), and band-aids (the invisible kind, of course).
- If your costume has a tutu and it is wrinkled, you can hang it upside down in the bathroom with hot shower running. The steam will get the wrinkles out.
- If your child's costume is itchy, use baby powder on their skin.

DANCE ETIQUETTE

We realize that for many of you, this is your first time participating in a recital and we thought you would like to be informed as to proper etiquette tips for your dancer's first experience on stage.

- Be on time. **Your call time is the time your child should be ready to go on stage 100% dressed.**
- Doors typically open 1/2 hour before a performance. Please remain seated for the duration of the show as you would expect others to remain seated for your child's performance. There is a 15- to 20-minute intermission during the show to enjoy snacks and beverages from the concession stand. There are no snacks or beverages allowed in the theater.
- It is proper etiquette to present your dance/dancers with flowers after their performance as a way to show appreciation for their hard work.
- No flash photography! This breaks a dancer's concentration and is dangerous to the performers.

- No videotaping of the show. .
- Please refrain from saying anything negative about any of the performances or performers.
- No standing in the back area of the theater or aisles.
- If you have a young child who is crying, please take them to the lobby. Do not let your young child run in the aisles, this is very distracting.
- Stay for the entire show to support everyone, as you would want others to stay and support your child.
- Turn off all electronic devices, cell phones, etc.
- Unless there is an emergency, the theater doors will not open until the lights go down. Ushers will be posted at the theater doors. Patrons will be asked to wait and exit between performances only. Doors will not be allowed open once a dance has started.
- No balloons will be allowed in the auditorium.
- As you know we have multiple performances throughout the day. Please remove all of your trash as you exit the auditorium.
- Absolutely no food or drink is allowed in the auditorium. This includes snacks for small children. All eating of any kind is to take place in the lobby.
