

Urbana Dance Studio 2019 Annual Recital **VOLUNTEER FORM**

DUE DATE: May 15, 2019

We are asking for parent volunteers for the Annual Urbana Dance Recital, **especially for classes with students aged 6 and under**. Parent volunteers are a very important part of our recital. Without them, the show could not go on. We appreciate each and every parent for their dedication throughout the year and at recital time. Volunteers do not need to buy a ticket for the recital.

If your child is performing the day you are volunteering, you will be able to watch your child from the audience or back stage.

If you would like to volunteer, please complete the form below and return it to the front office by May 15. Please indicate the class you would like to chaperone. Space is limited backstage, so we will take volunteers on a first-come, first-serve basis. You will be expected to attend the dress rehearsal that is associated with the class for which you are volunteering.

Return to the office by May 15, 2019
